

ETERNITY

TECHNICAL ASSISTANT Wanted

TECHNICAL ASSISTANT WANTED

If you want to:

- Jump-start your exciting career . . .
- Get personally mentored by **experienced Logistics Operators...**
 - Learn Logistics Operations business from the inside out...
- Skyrocket your influence and visibility faster than you ever dreamed possible in the industry

This could be the lucky break you have been waiting for!

Dear Ambitious Mind,

Eternity Services Limited, ESL, a leading Logistics and Haulage company in the Oil & Gas Downstream sector, is looking for a

Technical Assistant

to join our team.

ESL is a creative thinking, innovative logistics company with a sound footing in the industry, founded by Engr. **Tunde Makun** and we are regarded by our colleagues and clients as the **one of the best in the business**. We are located at Mile 2, in Lagos and are looking for an energetic and amiable young Graduate who **gets it!**

Interested?

You might be the person we are on the lookout for if you are willing to:

- **Learn from the best in Logistics Operations:** We are not concerned as much with plenty of degrees as much as we are with **the correct attitude towards wanting to learn how to be an efficient mover of goods and services, ensuring the Trucks and other operational**

Equipment are well maintained and SAFE for use at every point in the loop. If you've got them – show us!

- **Put their technical, organizational, and creative skills to work** . . . we only want someone who will do what it takes to make our assets functional consistently and therefore our Clients happy, working with other colleagues amiably.
- **Do Whatever It Takes:** To meet deadlines and work to constantly improve bottom-line and strong brand building results.
 - Live, breathe and sleep our Values, Vision and Mission.
- **Live or move to Lagos:** This is a key position in the organization. Our operational office is in the heart of *Mile 2*, a serene environment that's conducive to working and learning experience and we are associated with some of the most successful organizations in the industry.
But that's not all . . .

Yes, you need to possess the following characteristics:

- **Reliability** – Are you dependable, resourceful and an experienced self-starter?
 - **Accountable** – Do you follow through, meet deadlines and take ownership of your work with integrity?
 - **Positive mental attitude** – Do you have lots of energy, common sense, manners, proactive thinking skills and the willingness to go the extra mile? And most importantly, we are looking for someone who is self-motivated and can inspire and others to work SAFELY, timely, profitably, and honestly, with a passion for excellence.

Job Requirements

- Minimum of 2 years of Technical and Marketing experience preferred.
- 2nd Class Upper BSc degree in Mechanical/Electrical Engineering or Technical Sciences.
 - Knowledge of theory and practice of Automobile Engineering and Internet-based business models.
- Experience in Designing/evaluating Fleet Maintenance and Deployment Processes, Getting deliveries of goods and services to clients bases efficiently, Analyzing fleet and trip management performances as well as Preparing Corporate/Business Performance Reports.
 - Excellent verbal and written communications skills.
- Experience with Office, Dbase, Excel, Client Relationship Management strongly preferred.

OK – still interested?

Good.

Here's what you need to do to apply . . .

Send an email to: **tunde@powerupforsuccess.com**

You must send a cover letter detailing why you are a **GREAT** candidate. Remember this letter is your opportunity to get hooked onto an exciting career, relating with top practitioners and clients in the industry. Please include your resume.

All resumes must be received by close of business on **Friday, June 18, 2021.**

Oh yeah – we offer an attractive employee benefit package for the right candidate and that includes vast on-site practical training opportunities.

GOOD LUCK!
