

Why Selling Pipeliner CRM?

OPPORTUNITY OF YOUR LIFETIME

Who we are

Figure 8. Magic Quadrant for Sales Process Automation

Extensively Reviewed on:

- We built World Check, a banking compliance software, used today by most of the world's banks. It was sold to Thomson Reuters for \$530m.
- We invested 10 years in researching & developing the world's most visual & effective sales CRM.
- We are on The Gartner Magic Quadrant! Featured for the first time , another milestone on our journey.

#257 on Inc Magazine Fastest Growing Companies list
